## Work Experience

---

### Freelance Graphic Designer

None

January 2019 to Present

After leaving my previous job I decided to working independently for a time. Where I have continued to create unique images, illustrations, and logos for online customers.

### Game Artist

Elite System LTD - Lichfield

October 2021 to December 2021

### Graphics Designer/Digital Marketing

Access Booking - Lichfield

2017 to 2018

During my time at Access Bookings I had the role of a Digital marketer/Graphics designer. I had a number of tasks, some of which involved answering internal tickets, creating email campaigns and designing email signatures to promote new released films. Some examples of which can be provided on request/ on the dropbox link.

### Shop Assistant

Mr Simms Sweet Shop - Lichfield

2013 to 2013

During my work experience through school I worked at a local confectionery retailer where I picked up valuable skills such as working within a team, stock replenishment, quality control and health and safety. Also within this role as it was customer facing I was able to hone my customer service skills and deal with people on a face to face setting which was thoroughly rewarding

## Education
